TO: Dealer Technical Department
FROM: Rick Church
SUBJECT: Modification upper cover.
MODEL: 2700

PAGE: 1/1
DATE: 2/12/88
ISSUE # T-13

The small operation description cards and the pocket on the upper cover have been eliminated. The cards were too small and not practical to use. To aid operators, a decal describing the operation of the machine is available if necessary. (See note)
